Climate changes

## About Us

**Q.rity**, a known expert in cybersecurity - operating the Israeli national CERT for critical infrastructure in Be'er Sheva, and CSC as a service - and **Howden**, the largest private international insurance broker, with years of experience in the field of cybersecurity liability, are joining forces to provide you with optimal and comprehensive bundle for cyber protection.

# Customized cyber security service that addresses your specific needs

The first 24 hours after the cyber-incident are crucial. A cyber liability policy grants you 24/7 access to our experts:

- A response team and IT forensics cyber experts
- Legal support (for regulatory notifications)
- PR support to minimize reputational damage

## Coverage of loss, costs & expenses

- ▶ Breach Handling / Notification (Forensics, Credit Monitoring, PR)
- ▶ System Damage (H/W and S/W)
- ▶ Business Interruption (Virus/Hacking/etc.)
- ▶ E-Theft (Virus / Hacking)
- ▶ E-Extortion

## Get Q.rity & Dellemc cyber security center (CSC) and a dedicated response team

- ▶ 24/7 monitoring your organization to identify an attack in real-time and reduce the risk for damages. In times of crisis gain comprehensive assistance from **Q.rity & Dellemc** Cyber Crisis Team
- ▶ Incident response team that manages the event along with forensic investigation, so you know what went wrong, and how to seal the breach
- ▶ Intelligence – collecting information before the attack and generating alert ahead of time

## Achieve business resilience with Howden strong insurer partnerships that will negotiate the best deal on your behalf

A cyber policy will also cover your legal liability to 3rd parties, for incidents such as:

- Claims because your system have transmitted harmful malware to 3rd parties
- Claims for damages and distress as a result of a breach
- Claims for defamation, libel, and slander arising from your content

## The liability you need

- ▶ Cyber Liability (Virus/Hacking/DDos)
- ▶ Privacy Liability (Online/Offline)
- ▶ Media Liability (typically online only)
- ▶ Regulatory investigations expenses
- ▶ Court attendance and PR Costs
